

About FIRST

FIRST, "For Inspiration and Recognition of Science and Technology", was founded in 1989 to inspire young people's interest and participation in science and technology. Based in Manchester, NH, the 501 [C] (3) not-for-profit public charity designs accessible, innovative programs that motivate young people to pursue education and career opportunities in science, technology, engineering and math, while building self-confidence, knowledge, and life skills.

The Mission of FIRST:

To inspire young people to be science and technology leaders, by engaging them in exciting mentor-based programs that build science, engineering and technology skills, that inspire innovation, and that foster well-rounded life capabilities.
